MOTION TO ACCEPT 12-PAGE MEMORANDUM FOR FILING

J.P. and S.P. move that this Court accept their 12-page opening memorandum for filing. The memorandum is two pages over the length requested by this Court.

The memorandum contains four (4) separate arguments. It was not possible to address all four arguments in the ten page length originally authorized. Twelve pages were needed, even after shortening the argument as much as possible.

These additional two pages will not impose a greater burden on anyone to respond to the memorandum, or for this Court to make appropriate decisions in this case.

This motion to accept this 12-page memorandum should be granted.

DATED this 19th day of July, 2021.
